# SPACEPAC CELLO - TABLES & CHAIRS

## CHAIRS

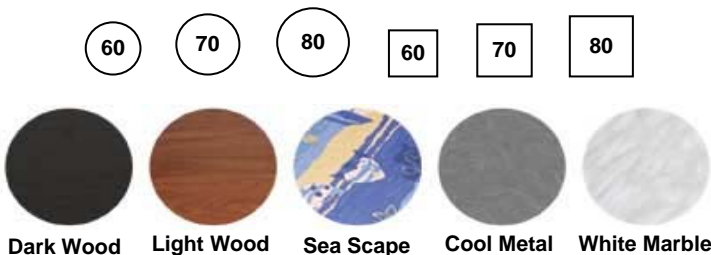

The Cello is a stylish comfortable one piece chair. Versatile for both outdoor and indoor use. The shell is moulded from a durable all weather UV protected polymer, supported by a neatly stacking stainless steel frame.

The Cello is available in a full range of colours. The Cello Chair has attained the highest Australian Standard of fatigue and strength: AFRDI level 6. Overall size 450mm x 820mm. 100% Australian Made. 100% Recyclable.

## TABLE TOPS

Cello collection tables are designed to complement both outdoor and indoor settings. The tables come in 5 different colour schemes to suit the Cello Chair of your choice. Table tops are completely sealed for ease of cleaning and durability. The stylish stainless steel base is adjustable and weighted with cast iron.
