

Mobile Shelving - Spacesaver

Self Based - Manually Operated

- ☐ GECA - [Good Environmental Choice Australia] approved.
- ☐ Spacesaving, versatile, multiple bay mobile storage unit that only requires one access aisle.
- ☐ Davell's Spacesaver units can save you up to 50% of your storage space compared to conventional static shelving.
- ☐ Sits directly onto any floor surface avoiding installation and disruption costs.
- ☐ Adjustable feet allow base to be levelled on-site by trained Davell installers using the latest laser technology.
- ☐ Spacesavers can be added to or relocated saving you time, money and worry.
- ☐ Push or pull bays with minimal effort.
- ☐ Fully welded base manufactured from galvanised square steel tube incorporating dual track and non-slip platform.
- ☐ Trolleys are manufactured from heavy gauge steel and include a fully welded sub-frame.
- ☐ Shelves adjustable at increments of 25.4mm.
- ☐ Key operated lock included.
- ☐ Accessories include: Polycarbonate Shelf Dividers, Toastracks, Roll-Out Reference Shelves, Roll-Out Suspension Frames, Roll-Out Media Drawers, Aisle Lock-Out Bar and Entrance Ramp.
- ☐ Scratch and scuff resistant powdercoat finish.
- ☐ Large range of colours and finishes.
- ☐ Lifetime Warranty.

Proudly Australian Owned and Manufactured Since 1946

DAVELL

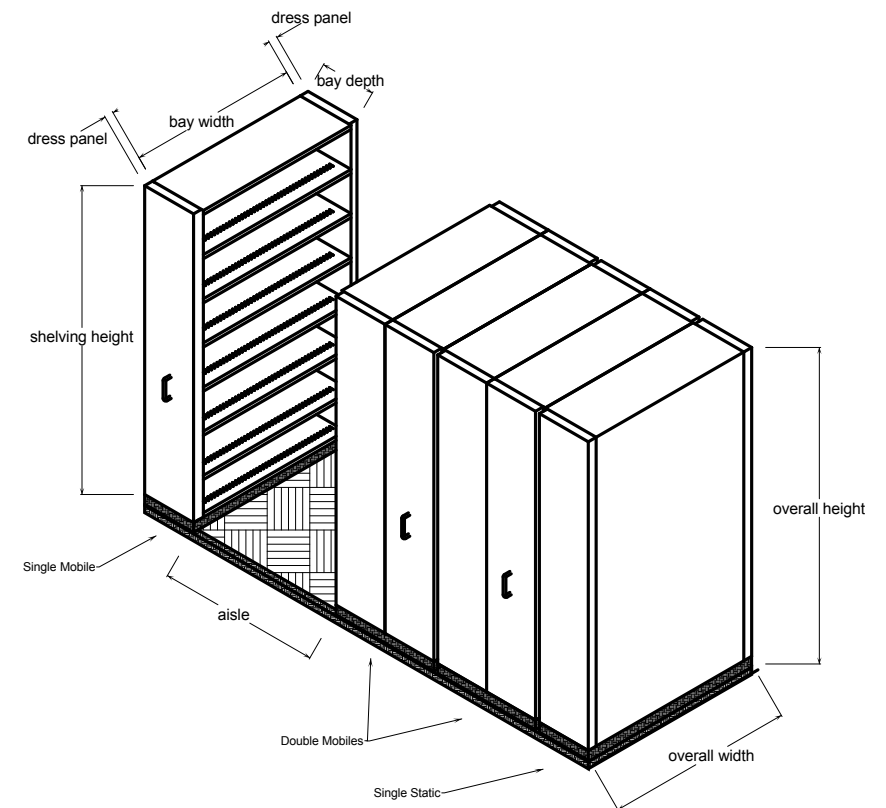

Mobile Shelving - Spacesaver

Self Based, Manually Operated
